Subject: FERC Swing Meeting

Good morning Todd,
There's no meeting scheduled for the FERC Swing Project today.

We are currently on 100%CD's Reviews from June 17th to July 5th.

We will meet after July 5th to discuss your reviews with the design team.

Josh,
Please confirm that FERC is on track for the submission of the Reviews and Comments by July 5th.

Thanks

Danny C. Mapili
